Subject: Label Amendment – Add Package Size
Product Name: BIFEN FIRE ANT KILLER
EPA Registration Number: 53883-250
Application Date: July 22, 2015
Decision Number: 507174

Dear Ms. Adamson:

The amended label referred to above, submitted in connection with registration under the Federal Insecticide, Fungicide and Rodenticide Act, as amended, is acceptable. This approval does not affect any conditions that were previously imposed on this registration. You continue to be subject to existing conditions on your registration and any deadlines connected with them.

A stamped copy of your labeling is enclosed for your records. This labeling supersedes all previously accepted labeling. You must submit one copy of the final printed labeling before you release the product for shipment with the new labeling. In accordance with 40 CFR 152.130(c), you may distribute or sell this product under the previously approved labeling for 18 months from the date of this letter. After 18 months, you may only distribute or sell this product if it bears this new revised labeling or subsequently approved labeling. "To distribute or sell" is defined under FIFRA section 2(gg) and its implementing regulation at 40 CFR 152.3.

Should you wish to add a reference to the company's website on your label, then please be aware that the website becomes labeling under the Federal Insecticide Fungicide and Rodenticide Act and is subject to review by the Agency. If the website is false or misleading, the product would be misbranded and unlawful to sell or distribute under FIFRA section 12(a)(1)(E). 40 CFR 156.10(a)(5) list examples of statements EPA may consider false or misleading. In addition, regardless of whether a website is referenced on your product's label, claims made on the website may not substantially differ from those claims approved through the registration process. Therefore, should the Agency find or if it is brought to our attention that a website contains false or misleading statements or claims substantially differing from the EPA approved registration, the website will be referred to the EPA's Office of Enforcement and Compliance.

Your release for shipment of the product constitutes acceptance of these conditions. If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA section 6. If you have any questions, please contact Maggie Rudick by phone at 703-347-0257, or via email at rudick.maggie@epa.gov.

Sincerely,

A handwritten signature in black ink, appearing to read 'Kable Bo Davis', enclosed within a large, hand-drawn oval.

Bifen Fire Ant Killer

For Sale To and Use by Utility Industry and Industrial Service Personnel
This Product is Not for Residential Use

Controls Fire Ants Where Applied In and Around
Telecommunications, Power, Utilities, and Railroad Systems Equipment
including:

Buried Cables, Telephone Pedestals, Cable Television Pedestals,
Pad-Mounted Electric Power Transformers,
Underground Vaults, Ground Mounted Utility Cabinets and Utility Poles
[Controls Fire Ants, Cinch Bugs, Mole Crickets, Ticks and other listed pests [insects]].

Active Ingredient:

Bifenthrin* [CAS No. 82657-04-3]

0.2%

Other ingredients:

99.8%

Total

100.0%

* Cis isomers 97% minimum, trans isomers 3% maximum.

Keep Out of Reach of Children

CAUTION

See back [side] panel for additional precautionary
statements.

EPA Reg. No. 53883-250

EPA Est. No. 44616-MO-1

Net Contents: [4 oz] [2 lbs] [4 lbs]

PRECAUTIONARY STATEMENTS
Hazards to Humans & Domestic Animals

CAUTION: Harmful if absorbed through skin. Avoid contact with skin, eyes or clothing. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum, or using tobacco. Remove and wash contaminated clothing before reuse.

First Aid

| | |
|--|---|
| If on Skin or Clothing: | <ul style="list-style-type: none">• Take off contaminated clothing.• Immediately rinse skin with plenty of water for 15-20 minutes.• Call a poison control center or doctor for treatment advice. |
| Have the product container or label with you when calling a poison control center or doctor or going for treatment. You may also contact 800-222-1222 for emergency medical treatment advice. | |
| Note to Physician: This product is a pyrethroid. If large amounts have been ingested, the stomach and intestine should be evacuated. Treatment is symptomatic and supportive. Digestible fats, oils, or alcohol may increase absorption and should be avoided. | |

{Note: The first aid statements' grid format will be used if market label space permits; otherwise a paragraph format will be used.}

Environmental Hazards

This pesticide is extremely toxic to fish and aquatic invertebrates. Do not apply directly to water. Do not contaminate water when disposing of equipment washwaters or rinsate.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

For use in and around buried cables, cable television pedestals, cables, pad-mounted electric power transformers, telephone cables, underground vaults, telecommunications equipment (boxes, closures, interfaces, pedestals, protectors and terminals), power and utilities equipment (camera housings, control panels, emergency light systems, fire alarm systems and lights/alarms), and railroad systems equipment (breaker boxes, railroad signals, traffic control boxes and signals, and transformer pads).

Do not open contents until ready for use

Use in interior and exterior areas at points of entry. Open plastic bag [container] and pour entire contents [4 oz] [2 lbs] [4 lbs.] directly into and around equipment, buried closure or hole. Lock equipment or closure or set pole immediately to prevent access. One 4 oz. bag will treat up to 12" x 12" (1 sq. ft.) [One 2 lb. container will treat up to 34" x 34" (8 sq. ft.)] [One 4 lb. container will treat up to 48" x 48" (16 sq. ft.)].

Storage and Disposal

Do not contaminate water, food or feed by storage and disposal.

Pesticide Storage: Store in a cool, dry area away from children and domestic animals.

Pesticide Disposal: Wastes resulting from the use of this product may be disposed of on site or at an approved waste disposal facility.

Container Disposal:

Nonrefillable Container (4 oz. bag): Nonrefillable container. Do not reuse or refill this container. Offer for recycling, if available.

Nonrefillable Container (2 lb. container): Nonrefillable container. Do not reuse or refill this container. Offer for recycling, if available. Clean container promptly after emptying. Triple rinse as follows: Empty the remaining contents into application equipment or a mix tank. Fill the container $\frac{1}{4}$ full with water and recap. Shake for 10 seconds. Pour rinsate into application equipment or a mix tank or store rinsate for later use or disposal. Drain for 10 seconds after the flow begins to drip. Repeat the procedure two more times. If recycling is not available, puncture or dispose of in a sanitary landfill or incineration if allowed by state and local authorities, by burning. If burned stay out of smoke.

NOTICE: Seller makes no warranty express or implied, concerning the use of this product other than indicated on this label. To the extent consistent with applicable law, Buyer assumes all risks of use and/or handling of this material when such use and/or handling is contrary to label instructions.
